

Stanisław Staszic Memorial Competition for the Best Innovatory Products

„LAUREL WREATH FOR INNOVATIVENESS 2015” 5th Edition

"Laurel Wreath for Innovativeness 2015", the Stanisław Staszic Memorial Competition for the best innovatory products is launched each year by the Federation of Research and Technical Associations at the Chief Technical Organisation. Designed for promotion of innovative products, technologies, and services, as well as other innovatory solutions which may have an impact on stepping up social and economic development of Poland, the contest is organised under high patronage of the Government, the Parliament, and various institutions, among them Polish and international organisations, and has extensive media coverage.

The Competition is open to companies from Poland, to foreign corporations registered in Poland, as well as to business entities and natural persons from Poland and from the countries with active Polish R&D and technical communities. Foreign business entities from other countries, whose innovatory products may be of interest for Polish economy, are also eligible for participation in the contest.

The results of the Competition will be announced on **25 November 2015**, at the **Ceremonial Gala** to be held in the Ballroom of the Warsaw House of Technicians, head office of NOT. The Gala will be preceded by the 3rd Conference on **"INNOVATION AS CONDITION PRECEDENT TO POLISH ECONOMIC DEVELOPMENT: Removing Barriers, Creating Assistance"**. The exhibition of innovatory products will accompany the two events.

As a part of the Competition, the International Trade Fair in Poznań, Poland, will manage the **Platform for co-operation and transfer of innovations** dedicated to **"POLISH INNOVATIONS FOR THE WORLD - WORLD INNOVATIONS FOR POLAND"** on **10 June 2015**, along with brokerage meetings.
